BUSINESSES

- Legal business entities, including subchapter S corporations, may earn up to \$100,000 of Oklahoma tax credits annually.
Businesses may make a one-year contribution and earn credits at 50% of the donation amount, or make a two year commitment and earn credits at 75% of the donation amount for both years.*

* The Oklahoma legislature allocated \$5 million for 2018 annual tax credits to the Scholarship Act. If donations to Oklahoma Scholarship Granting Organizations (SGO's) result in tax credits exceeding \$5 million, the actual tax credit percentage will be less; all donors will receive the same prorated percentage of tax credit.
